The '81-'82 Trojanette varsity basketball team recorded a fine 18-4 season. While finishing in 2nd place in the Cedar Wapsie Conference race with a mark of 12-2, the team managed to establish two new Turkey Valley records. The first record came in an early-season game against Denver when the forward court fired at a 65.5% clip to set a new mark for the best team field goal percentage in a single game. Not to be outdone, the guard court established a new team defensive record when they performed the unbelievable in limiting Jesup to just 11 total points.

Two new individual school records were set by Jenny Herold and Karen Costigan. Jenny managed the highest-ever field goal percentage in 1 game (ten or more shots) when she turned in a 9 for 11 performance for 82%. Karen set a mark for guard jump ball percentage when she successfully controlled 17 out of 20 jumps.

Beyond individual records, it was teamwork and team balance that proved to be the strengths of the '81-'82 squad. The forwards worked together to produce an average of 63.9 points per game. In so doing, no less than 4 individuals held season team highs in the catergories of field goal percentage, free throw percentage, total points and assists.

The guard court, led by 5th Team All-State selection Karen Costigan, finished the season by limiting opponents to a per-game average of 49 points. The team's defensive strengths were hustle, determination and pride.

Five squad members were selected to positions on the Cedar-Wapsie All Conference team:

Karen Costigan (1st); Jenny Herold (2nd); Anne Kriener (2nd); Mary Lensing (2nd); Theresa Speltz (Honorable Mention).

The 1982 wrestling trojans started the season as virtual greenhorns, but due to positive attitudes and strong character mixed in with some self-disipline and a lot of plain hard work, they once again wrote a successful page in the ever growing legand of Turkey Valley wrestling. "As a coach I must commend the 1982 Trojan wrestlers for shouldering the responsibility, reaching their limits, and interjecting a large quantity of desire along with outstanding sportsmanship to make the season fun, exciting and successful," quoted Coach Arjes.

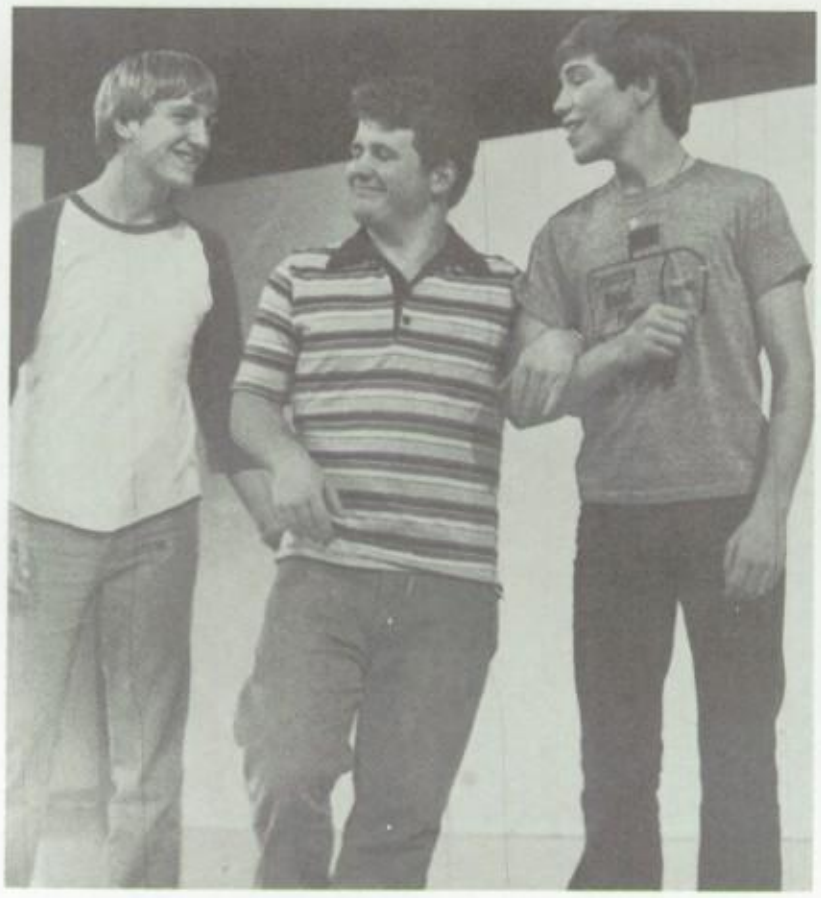
CHARLEY'S AUNT

Charley's Aunt by Brandon Thomas was presented with typical Turkey Valley verve and enthusiasm, vim and vigor on Thursday and Friday, Nov. 5 and 6, 1981. *Charley's Aunt* is the hilarious story of three college youths who get tangled in their own web of deceit while trying to win the hearts of their girls. Highlighting this year's production was Mark Galligan's outrageous portrayal of Lord Fancourt Babberly who was forced into masquerading as Donna Lucia d''Alvadorez, the rich aunt of his friend, Charley. Memorable moments included the many chase scenes (including the appropriately chosen chase music), Spettique's hat being knocked off by Lord Fancourt, the proposals of Spettique, Sir Francis, and Jack, and Lord Fancourt being caught smoking.



THE CAST (in order of appearance)

Poem to the Seniors

Another year goes passing by
Another Prom is here
To some this brings a joyous smile
To others, brings a tear
For four years you have tread a path
From dawn to setting sun
But now the path gets steeper
And the climb is just begun.
We're very glad to know you
We'll miss you when you've gone
And to the Class of '82
We dedicate our Prom.

It's Up to You

You are the fellow
who has to decide
Whether you'll do it
or toss it aside
You are the fellow
who makes up your mind
Whether you'll lead
or linger behind
Whether you'll try
for the goal that's afar
Or just to be contented
to stay where you are
Take it, or leave it,
here's something to do
Just think it over —
it's all up to you!

A smile today may give you more to smile about in the future.

LIBRARY CLUB

This club gained in number this year thanks to the encouragement of the clubs advisor, Valeria Herold. The members responsibilities in the library varied but basically the club helped in the shelving and repairing of books and the preparation of bulletin boards to encourage the young people to read.

LETTERMAN'S CLUB

The annual chili supper fell by the wayside this year. The major activity of the club was a raffle held in the spring of the year with the determination of how the proceeds were to be spend unknown at the time of this publication.

FUTURE TEACHERS OF AMERICA

The future teachers, with Mr. Angels assistance, attempted to learn a little of the teaching field by spending some time in the elementary grades working the children of various age groups.

SPEECH AND DEBATE

Besides competing against the usual schools and students that we meet on the circuit, this year's speech team was constantly challenged by the weather, as well as adjusting to substitutes for our coach. Mrs. Hangartner gave birth to Myra on Feb. 8, and therefore was unable to go to the state tournaments with us. Mrs. Lynch, Mr. Nichols, and Mrs. Carspecken filled in. Mrs. Carspecken provided us with the most memories, freezing rain, snowstorms, and a broken-down van.

We are losing some of our craziest seniors this year, so it's only appropriate that we end the year in a crazy way. Linda Balk, Rose Dorweiler, and Donna Hauer have participated in Turkey Valley speech activities for six years. All have at one time or another been finalists at U. of Iowa tournaments as well as receiving several Division I ratings at the State Individual Events contests. They have always set a fine example for underclassmen, both in competition as well as fun-making. We'll miss them.

This year Melanie tried Extemp., one of the most difficult events, and says she likes it. Ann continued to work on Humorous and improved her rankings. Carol, Deb, Bernadette, and Anita mixed speech with their very busy schedules. And six freshmen came out for speech and attended more tournaments more regularly than any group in the past.

We only found seven tournaments in our area to attend this year, but all of those were well represented by schools from all over the state. Turkey Valley has often been the smallest school present. We attempted to host our own tournament on Jan. 16, but instead played host to the second of three January blizzards. We'll try again next year. Both the speech team and debate team would like to show off our terrain and talent in the northeast corner of the state.

FOREIGN EXCHANGE STUDENT

Keila Barreto

Principal Donn pays a special tribute to Keila Barreto on her "second" graduation.

A special tribute this year goes to Keila Barreto, a Youth For Understanding foreign student from the Amazon region of Brazil. Keila spent the second semester as a senior student even though she had already graduated from her high school in Brazil. She lived with the Alvin Vsetecka family while in the United States. Turkey Valley wishes you well as you enter studies in the medical field, Keila.

TROJANETTES GO TO REGIONALS

The Turkey Valley varsity girls' basketball team is about to enter Regional Tournament action! With an over-all record of 18 - 3 and a conference mark of 12 - 2 (finishing 2nd to a state-ranked Tripoli team), the varsity squad is looking ahead with excitement. At the same time, each team member can look back on a successful season filled always with lots of hard work, often with happy feelings, and sometimes with disappointments.

The keys to the team's success have been a balanced offensive attack in the forward court and a very strong and consistent performance by the guard court. Offensive balance can be seen by noting the scoring average of the 5 for-

Several players were honored by being selected to All-Conference teams by the coaches of the Cedar Wapsie Conference. Named to the honor team were:

1st Team - Karen Costigan (guard)

2nd Team - Jenny Herold (forward)
Anne Kriener (guard)
Mary Lensing (forward)

Honorable Mention - Theresa Speltz (guard)

Statistics and honors tell only a small part of an individual's or a team's success. The Turkey Valley girls' varsity squad has experienced success as a direct result of the collective efforts of each of the eleven individuals who have worked hard and sacrificed much time and effort to attain individual or team goals.

Let's get out to support Coach Angel, Coach Barkema and the girls on a their quest to attain yet another goal - a berth in the Girls' State Basketball Tournament.

FAREWELL MRS. KAPLER

Louise Kapler, teacher for 21 years at Turkey Valley, retired this year. One reason she retired was that the things she wanted to do after she retired were active things, and she wanted to retire while she was able to do them.

Her years at Turkey Valley were happy ones. She was always proud to be able to say she was a teacher at Turkey Valley. "Your students, parents, administration, and school board make Turkey Valley one of the top schools in the state," she said.

Asked what was the funniest things that happened in her forty years of teaching, she told this story. "I was teaching in a one room schoolhouse with grades one through eight. I asked the question, what is a comet? A first grader, named Jeanne, raised her hand as high as it would go. When I called on her she replied, "Comet is what Mommy uses to clean the sink."

She said, "Even though I keep busy, I still miss teaching because I love these precious little things called boys and girls, but I guess I should be content and thank God for the happy years He has given me during my career."

Louise Kapler

Memories are the topic when Louise returns for a tea in her honor.

Board President Joe Barloon presents a plaque to Mrs. Kapler in appreciation of her years of service at Turkey Valley.

GRADUATION DAY

Today we'll start a new life
And we'll say our last goodbyes
To all the friends we've grown to love
With whom we've laughed and cried.
Remembering the fun and laughter,
The problems and the fears,
And watching all our memories grow
Throughout our high school years.
The memories of the dances
And the new friends that we've met,
Vacation, teachers, talking
And exams we'd rather forget.
Yes, high school days are precious but brief,
Where all your dreams come true;
It is not the end, but the beginning
Of a life we'll start anew.

Just as We, the Students,
Move from Kindergarden
Through Graduation,
So Has This Yearbook
Developed from an Idea
to a Reality. It is
the Product of Many
Individuals Working
Together to Capture
The 1981-82 Footsteps
of Our Fellow Students.
We Hope This Yearbook
Will Be a Treasured Part
of Your Turkey Valley
Memories.
